- Our usual tables, chairs, crockery, cutlery, linen and glassware, as well as an experienced wedding planner to guide you
- Use of the indoor or outdoor licensed ceremony space (registrar costs payable separately to Northants Registrars)
- Drinks for the key moments of the day – a celebratory drinks reception, wine with your meal and something bubbly for the toast/speeches
- Your choice of wedding breakfast - as formal or relaxed as you like - you choose from our extensive menu, with guidance from the Chef if required
- An evening buffet so you and your guests can re-fuel for a night of partying
